Apply now for our Aspire Program for High Achieving Students Year 7 - 2023

What is the Aspire Program for High Achieving Students?

The Wallsend Campus Aspire Program provides an opportunity for students who perform at a high academic level and are personally motivated to extend themselves in their learning.

Students who are successful in being selected for this enrichment program are encouraged to identify and develop their own strengths, undertake challenging activities, take risks and make mistakes. Each student at Wallsend Campus is supported to achieve their personal best in high school.

SOME MORE OPPORTUNITIES...

There are exciting opportunities available to our students after Year 7. Speak to Aspire staff to find out more

Students in Years 8 to 10 can apply to join an Enrichment program, where students develop an area of interest or talent over the year and have the opportunity to present their work at a celebration evening.

Year 10 students have the opportunity to participate in the High Performing Students Program, where they can complete a first year University course potentially receiving course credits and a financial scholarship.

“ What some students say from our 2021 Year 7 Aspire Program... ”

I enjoy being part of the Aspire Program because of the freedom you get along with the different opportunities that come with it. I have met great people and have the feeling of belonging in the class.

Cameron

What I like best about the Aspire Program is the challenging work that isn't a breeze.

Rebecca

I love Aspire because we get to do more interesting work more often. The teachers really support you to do your best.

Charis

I am learning so many new things! Its very good if you like a challenge!
